The City of Edinburgh Council (CEC) provides grants to help tenant groups. They can be used to:

- set up and run tenant groups
- support health and well-being projects
- help tenants to learn and use digital devices and services.

Your group must meet the following conditions below. If it does, you can complete the attached application form and send it to us using the contact information below.

## Who is eligible to apply?

To be eligible, your membership must include CEC tenants. Your work must benefit tenants and other residents in your area, particularly in relation to housing services, housing conditions and the wider environment. Your group must be properly constituted and have its own bank/building society/credit union account, requiring at least 2 recognised signatories to manage all transactions.

## What kind of things will the TGG fund pay for?

A start up grant of £100 is available to help form a group. This can be used to pay for the costs of a first meeting or anything else to do with set-up, such as producing leaflets or a newsletter.

Once your group has been formalised, grants of up to £10,000 are available to help support your group's work in the following key areas:

- digital inclusion projects that help CEC tenants and other residents to gain better access to and understanding of Information and Communication Technologies
- health and wellbeing activities, which benefit CEC tenants and other residents, including:
  - community gardens
  - social events
  - educational initiatives
  - art projects
  - health and fitness classes
  - healthy food schemes.
- running costs for CEC tenant groups, including:
  - equipment
  - premises
  - training
  - insurances
  - daily operating costs (such as photocopying)
  - room hire
  - telephone calls.
- initiatives which help local communities tackle the negative effects of Covid-19.

## Is there anything that the TGG Fund will not fund?

- Activity of a political or lobbying nature designed to promote party political or religious causes
- More than one internet service provider connection
- Servicing of debt or monies already spent (retrospective funding)
- Repairs and refurbishments to Council premises

## What are the conditions of funding?

- All groups must include CEC tenants and their work must benefit the tenants in their areas, particularly in relation to housing services, housing conditions and the wider environment.
- Groups do not have to be registered as a Registered Tenant Organisation (RTO) with CEC to apply to this fund. Unregistered groups will be encouraged to apply to register for RTO status.
- You must provide evidence of grant spend by the date specified in the letter of award or before any further grant application made (unless otherwise agreed). This should include copies of receipts for money spent and any supporting information on what your group has achieved.
- Grants cannot be allocated retrospectively. For example, training and conference costs may be covered but payment must be agreed with CEC in advance of attendance at any event.
- The maximum grant is £10,000 and may be paid to you in instalments.
- All applicants must adhere to the standard Council Funding Conditions issued by CEC and applicable to all grant recipients (attached to grant application form).

## What is the process for assessing applications?

Your application will go through the following steps:

### - Initial Check

A senior officer will check that your application is eligible. Eligible applications will go to the next stage. For those that are ineligible, the applicant will be notified and where appropriate advised of alternative sources of funding.

## - Senior Officer Assessment

A senior officer will check that your application is complete. You may be contacted for further information or clarification. The senior officer will assess your application against the TGG criteria and make a recommendation to the Locality Housing Manager.

### - Decision

The Locality Housing Manager will decide if the grant should be approved in discussion with housing officers and the Tenant and Resident Services Manager.

### Notification

You will be informed of the final decision, in writing, within four weeks of submitting your application. Where applications are unsuccessful, applicants will be informed of the reasons and advised that they may apply again in the future.

The process will be completed as quickly as possible: You can assist by checking you have fully completed the application and provided all necessary supporting documents before submission.

## Can we apply for more than one grant in any one financial year?

Repeat applications from tenant groups who have already had a TGG will only be considered in exceptional circumstances. This does not apply in the case of start-up grants.
