## Volunteers Week 2022

Volunteers Week is taking place between Wednesday 1<sup>st</sup> and Tuesday 7<sup>th</sup> June 2022 and it's a chance to recognise the fantastic contribution volunteers make to our communities. Volunteers' Week is supported and celebrated by small grassroots organisations as well as larger, household-name charities, who together run hundreds of activities across the UK. Volunteers' Week 2022 is a time to say thanks and it goes without saying that volunteers have played a key role in the pandemic response. During an exceptionally difficult couple of years, people from all walks of life around the UK have taken the time to volunteer and make a huge difference to their communities – just as they do every year. You can find out more about Volunteers' Week at <https://volunteersweek.org/about-volunteers-week/what-is-volunteers-week/>.

On behalf of everyone at ETF, we would like to say a massive thank you to all our volunteers who give up so much of their time to help and support the Federation on a daily basis. We would like to give particular thanks to our wonderful Executive Committee for all the work they do.
