ETF has written to all our member groups, associate individual members and associate organisation members inviting them to re-join the Federation for the coming year. If your group would like to vote on any issues raised at the Annual General Meeting and/or put forward a nominee from your group to be on the Federation's Executive Committee (EC), your annual membership renewal form must be completed and returned to the Federation Office by **Friday 30th August 2019**. **Any membership applications previously submitted for 2019/2020 are still valid.**

Recruiting New Executive Committee Members

Would you like to play a part in helping to make a difference in tenants' lives, help influence policy and gain a wider experience and knowledge of current housing and environmental issues? If you have answered yes, why not become a member of the Federation's EC? We are keen to have more people involved in the work we are carrying out here at ETF. **To become an EC member, you need to be a member of a Tenants' and Residents' group that is registered with ETF.** If you are interested in becoming an EC member and would like more information, please contact the Federation Office on 0131 475 2509 or email info@edinburghtenants.org.uk. Poverty Alliance research

The Poverty Alliance is researching people's experiences of living on a low income or struggling financially. They are looking for people to take part in an individual interview to share their experiences and what they think needs to change in their area. The findings of this research will be fed back to the Edinburgh Poverty Commission, an independent group that have been set up to understand what drives people into poverty in Edinburgh. As a small token of thanks, the Poverty Alliance have £15 vouchers to give for your time. If you are interested in taking part in an interview, please contact Laura Robertson, Research Officer, Poverty Alliance by email at laura.robertson@povertyalliance.org or phone 0141 353 0440.
